

ALLYSSA GEANNE P. QUNIT

San Roque Dau, Lubao, Pampanga, Philippines • +63 966-136-6539 • allyssageannequinit@gmail.com

PROFILE

Information Technology graduate with hands-on experience in UI/UX design, quality assurance, business analysis, and project management gained through academic projects and internship experience. Skilled in designing user-centered interfaces, conducting manual testing, reporting and tracking defects, creating product documentation, developing feature backlogs, and performing competitive analysis.

Passionate about building digital solutions that are both functional and user-friendly, with a strong interest in understanding the complete product development lifecycle from planning and design to testing and delivery. Recognized for being adaptable, detail-oriented, and receptive to feedback, with the ability to learn new tools and processes quickly. Committed to continuous learning, professional growth, and contributing to the successful delivery of high-quality digital products and services.

INTERNSHIP EXPERIENCE

Project Management	March 2026 – July 2026
<i>Twala (Ohelio, Inc.)</i>	Manila, Philippines

- Completed a Udemy Project Management course to establish foundational knowledge in project planning, scoping, and delivery.
- Monitored mobile responsiveness tasks for Doxu.AI (Twala v2), tracking progress and task status.

Business Analyst	March 2026 – July 2026
<i>Twala (Ohelio, Inc.)</i>	Manila, Philippines

- Completed a Udemy Business Analysis to improve my understanding of business analysis concepts and practices.
- Created a competitive comparison matrices for TwalaSign versus key market competitors.
- Developed feature backlogs for TwalaSign and Doxu.AI to guide prioritization and sprint planning.
- Drafted product documentation for TwalaSign and Doxu.AI (ongoing).

Quality Assurance Engineer	March 2026 – July 2026
<i>Twala (Ohelio, Inc.)</i>	Manila, Philippines

- Conducted manual testing for the mobile responsiveness of Doxu.AI and filed detailed bug tickets for identified issues. (ongoing)

- Performed web and mobile responsiveness testing on the Doxu.AI landing pages, covering both functionality and layout consistency. (ongoing)

UI/UX Designer

Twala (Ohelio, Inc.)

February – May 2025

Manila, Philippines

- Redesigned selected landing pages to improve clarity, layout, and user experience, and implemented some updated designs in Webflow (e.g. client and partner carousel).
- Helped organized Twala's help support articles in Intercom, ensuring content was well-structured and easy for users to navigate.

PROJECTS

Capstone Project (Signor) – Web Application Development

Pampanga State University

April – December 2025

Pampanga, Philippines

UI/UX Designer

- Helped in UI/UX design, producing all graphics, icons, and interface assets for the web application.
- Defined layout structures and interaction flows to ensure intuitive navigation and a seamless user experience.
- Refined animations and visual transitions to elevate the overall polish and engagement of the interface.

Quality Assurance

- Performed manual testing across all application features to verify expected behavior and surface defects before release.

ClassIQ Website – Web Application Development

Pampanga State University

2024

Pampanga, Philippines

UI/UX Designer

- Created all graphics, icons, and visual elements, establishing a consistent and cohesive design language across the application.
- Designed the interface layout and navigation structure for ease of use, and enhanced micro-animations for a more engaging experience.

Quality Assurance

- Performed manual testing to confirm all website features functioned correctly and met defined requirements.
